VISHVAS PATIL

MATHEMATICS EDUCATOR / ASSISTANT PROFESSOR

+91 84509 19887 • vishvaspatil6205@gmail.com

Mathematics educator with more than 15 years of experience teaching engineering and undergraduate science students. Combines expertise in applied mathematics and statistics with skills in Python, machine learning and data analysis.

EDUCATION

M.Sc. Mathematics

With Distinction
University of Mumbai, Kalina
2009–2011

B.Sc. Mathematics

First Class
Ramnarain Ruia College, Matunga
2008

QUALIFICATIONS

CSIR NET / JRF
All India Rank 10 in CSIR NET
SET

Ph.D(Pursuing) from ICT,Mumbai

(Applications of Mathematics and Statistical Computing in Machine Learning and Data Science)

TECHNICAL SKILLS

Python · NumPy · pandas
SQL
scikit-learn
Power BI

PROFESSIONAL DEVELOPMENT

Machine Learning Training

NIT Warangal
One-month FDP

Data Analysis

Edulakes NSS IIT Roorkee
Six-week FDP

Microsoft Azure Data Analysis

AICTE
One-week FDP

TEACHING EXPERIENCE

Ramrao Adik Institute of Technology, Nerul

Assistant Professor | July 2015–Present

Teach Applied Mathematics and Statistics across Computer Engineering, IT, EXTC, AI and ML, and AI and Data Science programmes. Design lessons covering linear algebra, calculus, vector algebra, probability and statistical methods.

VJTI College, Matunga

Assistant Professor | September 2013–July 2015

Taught first- and second-year engineering students across multiple branches. Reviewed student progress weekly to identify learning difficulties and provide targeted support.

Pillai College of Science and Technology, HOC Rasayani

Assistant Professor | August 2012–July 2013

Taught Mathematics to first- and second-year B.Sc. students.

Saraswati College of Engineering, Kharghar

Assistant Professor | August 2011–August 2012

Taught Applied Mathematics and Statistics to Computer, IT, EXTC and Instrumentation Engineering students. Developed lessons in calculus, linear algebra, integral transforms, vector algebra, probability and statistics.
